# SleepNest

## Platform Bed

### Dimensions / Item #

<b>Twin XL</b> 39x80x16" #7100212	<b>King</b> 76x80x16" #7100240
---	--------------------------------------

<b>Full XL</b> 54x80x16" #7100220	<b>Cal King</b> 72x84x16" #7100242
---	--

<b>Queen</b> 60x80x16" #7100230	<b>Hotel King</b> 72x80x16" #7100244
---------------------------------------	--

### Unique Slat Design

Durable, rectangular steel slats provide superior and stationary support which increases the life of your mattress.

### 4 Side Panels

Complete closure with 4 side panels helps prevent bed bugs & unwanted access underneath the mattress.

### All in One Combo

No foundation, box spring, or bed skirt needed with the SleepNest bed.

### Noise Free Design

Nothing annoys guests more than sleeping on creaking, squeaking bed frames. SleepNest is designed intelligently to be noise-free.

### 100% Steel Construction

Heavy-gauge slat/rail support, durable welded frame, and tubular leg construction.

### Stylish & Intelligent

A clean, modern bed frame designed for style and function. Make the SleepNest platform bed the centerpiece of your guestroom.

### Supports up to 3,000 Pounds

This commercial grade, heavy duty platform bed can support up to 3,000 lbs. \*Verified by a third party, certified lab using an ultimate load test.

### 5 Year Limited Warranty

Retainer lip keeps mattress secure and avoids unwanted sliding.

9 steel legs ensure sturdiness & stability. Rubber tips prevent slipping, skidding, & damage to floors.

All 4 corners are rounded for increased guest safety.
