Hookless® Shower Curtains

The increased efficiency to install and remove an Original **Hookless®** shower curtain saves housekeeping labor, time and costs while maintaining your guests' bathrooms. Installing and removing a traditional shower curtain takes an estimated 10 minutes per room. **Hookless®** curtains take seconds to perform the same function — a savings of 8 minutes per hotel room. This labor time savings is estimated at \$17 per room. The costs savings is an estimated \$3,400 per year! (Based on a 200-room hotel property.)

BASIC COLLECTION

Constructed of polished stainless steel, the Basic collection has clean lines that enhance the décor of guest rooms, bathrooms, and lobby areas.

Add a polypropylene wastebasket liner for a clean and eco-friendly alternative to plastic bags.

SPA COLLECTION

Contemporary, angular styling combines with durable poly-resin to provide a sleek collection of functional accessories to the guest bath.

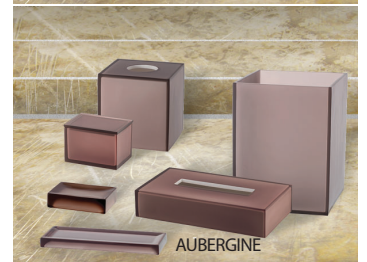

SOHO COLLECTION

The traditional styling of the Soho collection is brought to life in a mirror-finish stainless steel.

Add a polypropylene wastebasket liner for a clean and eco-friendly alternative to plastic bags.

GLACIER COLLECTION

SMOKE COLLECTION

Made of matte resin, the new Smoke collection has a double wall look. The second layer of transparent resin creates the depth effect. Neutral grey color and clean lines make this collection complimentary to almost all

LINEN & TOWEL STORAGE

Innovative storage and shelving options for use throughout the hotel property. Each shelf and post is constructed from heavy-duty steel with a zinc-plated undercoating. Chromate finish shelves and posts are ideal for display and dry storage areas. Our brown epoxy shelving kits provide another layer of protection in wet environments. Designed for commercial use, each shelf up to 48" in length is rated to support up to 800 pounds of uniformly distributed weight. Shelves longer than 48" support 600 pounds.

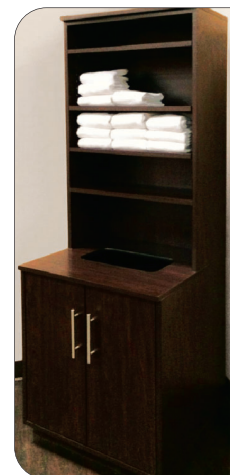

TOWEL CART KITS

Easy-to-order mobile carts. Includes 4 each chromate finish shelves, 4 each 63-inch mobile posts, enclosure panels for 3 sides, casters (2 swivel and 2 swivel with brake), and bumpers.
